C F G C G
O love divine how sweet thou art

Stronger his love than death or hell
Its riches are unsearchable
The first born sons of light
Desire in vain its depths to see
They cannot reach the mystery
The length and breadth and height
The length and breadth and height

(refrain)

God only knows the love of god
O that it now were shed abroad
In this poor stony heart
For this I sigh, for this I pine
This only portion, Lord, be mine
Be mine this better part
Be mine this better part

(refrain)
